Dedication

MRS. CLARA GARRISON

How can we say what we feel in our hearts?
How can we put it to words?
There's no way to tell you our thanks for your work.
To try would just be absurd.

When all are down and feeling low,
You are there to take our hands.
To take our hands and set us straight,
As on our own each stands.

Thanks to you, you've pulled us through,
In all that you have done.
So in our thanks we'd like to show
Our hearts that you have won.

And for holding high your station, Mrs. Garrison,
We honor you our dedication.

Counseling students is the main duty of her busy day.

Mrs. Garrison is encouraging one of her three Senior English classes the importance of thinking for themselves.

CTC FOOT

The Wildcats' defensive wall stops another charge.

This football season was another in which the team had its hours of glory as well as its periods of distress. They started the season with an overwhelming 38-0 victory over McMinnville City and continued their winning ways until the fourth game when the order was reversed with Murfreesboro defeating the Wildcats 38-0.

After this they regained their composure with wins over Franklin County and Lewisburg. They then entered a stand-off period in which they played tie games with B.G.A. and Fayetteville. However, the season ended on a high note with a 28-12 victory over Sparta and a 30-7 win over arch rival Manchester giving the Wildcats possession of the Coffee Pot for another year. Even though the team had its ups and downs they managed to be up in those games which counted in the CTC. A conference record of five victories with one tie and no losses gave Tullahoma their second conference championship in four years.

The 1962 Wildcats was a team without outstanding stars; their record was one of team effort, which is a credit to the coaching staff.

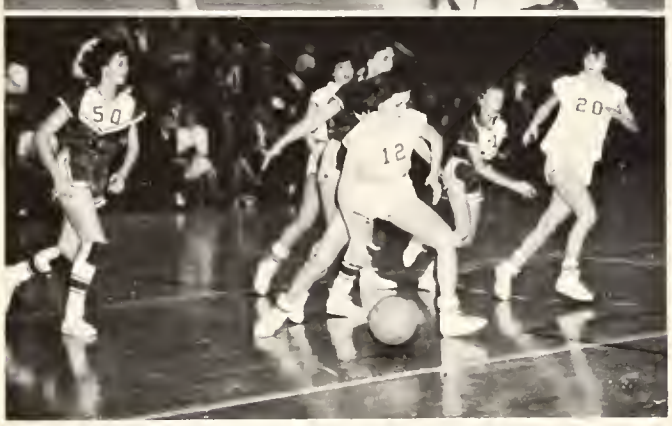
GIRLS' BASKETBALL

Opponents stand amazed as Audrey attempts her noted jump shot.



Patsy moves the ball down the floor as she demonstrates her All-CTC playing ability.

This year was one of the most successful that the girls' team has ever had. Their 16-9 record gave them a winning season and possibly the best the Tullahoma girls have ever had. The highlight of the season was their victory over Manchester, the first against this team in many years. Other thrillers included their victories over Shelbyville, Franklin County, Murfreesboro and McMinnville City.

Outstanding among the members of the team were Audrey Taylor, Marilyn McDaniel and Patsy Allen who made the 24th District All-Tournament team. Patsy and Marilyn also rated the All-CTC team.

Although four varsity members graduate this near, the prospects for next years' team show promises of a successful season.
